Recommendations:-

1. To ensure the participation of teachers from all colleges in the valuation camp, it is recommended that the number of teachers required for valuation in each subject in proportion to the number of students of the concerned subjects in each college to be provided by the University to the colleges (including Chief Examiners and subject Co-ordinators). This may be implemented for 5th semester UG valuation camp in experimental mode.
2. Computer Programmer is entrusted to provide details related to number of students registered for each subjects in order to make Panel for valuation based on the above recommendation
3. The Principals of the affiliated colleges have to relieve the required number of teachers as per the data/Panel provided by the University. Further recommended to impose fine to the concerned teachers and Principals and withheld the results of the colleges if the Principals do not relieve sufficient number of teachers for valuation.
4. Recommended to start the camp valuation of 5th semester UG programme from 27.11.2023 and 3rd semester UG programme from 11.12.2023.
5. Also recommended to conduct the evaluation of answer scripts of SDE/Private Registration students under Home valuation mode.
