Guidelines/Norms to be followed for recognition/equivalency of Engineering (PG) Degrees of other Universities

1. In the case of equating an Engineering Post Graduate degree (Full Time) from other Universities with that of Kannur University, the following aspects are to be considered by the Board of Studies.

    a. Eligibility criteria for admission to programme under consideration must be same as that of the eligibility criteria for admission to the programme with which it is equated.

    b. Duration of the programme under consideration must be same as that of the duration of the programme with which it is equated.

    c. Minimum percentage of marks/SGPA required for a pass of the programme under consideration must be same as that of the minimum percentage of marks/SGPA required for pass of the programme with which it is equated.

    d. The programme under consideration for equating must contain at least two-thirds of the syllabus of the programme with which it is equated.

    e. The programme under consideration should be approved by AICTE.

2. In the case of recognizing an Engineering Post Graduate degree (Full Time) from other Universities which is not offered by Kannur University, the following aspects are to be considered.

    a. Eligibility for admission of the programme under consideration for recognition must be same as that of the eligibility criteria for admission of similar PG programmes offered under that faculty.

    b. Duration of the programme under consideration for recognition must be same as that of similar PG programmes offered under that faculty.

    c. Minimum percentage of marks/SGPA required for the pass of the programme under consideration for recognition must be same as that of the minimum percentage of marks/SGPA required for the pass of similar PG programmes offered under that faculty.

    d. The programme under consideration should be approved by AICTE.

3. In the case of equating an Engineering degree (Part Time) from other Universities with that of Kannur University, the following aspects are to be considered by the Board of Studies.
